

TRADE UNION RENEWAL CENTRE

TU RENEWAL CENTRE ACTIVITIES FROM MAY 2025 TO MAY 2026

<https://www.etuc.org/en/RenewalCentre>

ETUI ACTIVITIES:

- ETUI-ETUC hybrid workshop: Trade union renewal Strategies and practice (24-25 June 2025)
 - Publication of research report and recommendations on Renewal practices (July 2025)
 - ETUC High level Taskforce meetings on Trade Union Renewal
- The ETUI Education department has made Trade Union Renewal one of the main priorities for its capacity building activities. Over the coming year, several training courses will be organised to address topics such as:
- Strategic thinking, foresights and building a sustainable pathway
 - Trade union education for democracy, and building union responses to combat fascism, racism and xenophobia
 - Artificial intelligence for trade unions
 - Empowering collective bargaining and building union power in sectors
 - Training for basic trade union organisers and organising of highly mobile workers in transport
 - Women's leadership programme and trainings for young trade union leaders
