WITH THE PARTICIPATION OF THE EUROPEAN YOUTH FORUM

***Young people across the globe deserve stability and sustainable future!***

***The most educated generation of Europeans cannot be sent back to training because of the lack of decent job opportunities!***

***It is time for Quality Jobs!***

Dear Friends,

with this email, we would like to invite you to join us for a public and interactive event to assess the European Commission's Communication on the Reinforced Youth Guarantee that will take place online on **2 July at 10:00 CET**.

In cooperation with members and partners, ETUC monitored the implementation of the Youth Guarantee and formulated [comprehensive demands for the reinforced program](#) that gained further importance in light of the looming crisis that will impact disproportionately young people around Europe.

It is time for EU institutions to deliver on their promises and guarantee quality jobs for young workers.

We will be joined by the guest from European Youth Forum and we will give space to participants to ask questions or share their opinion on the proposal.

We encourage you to join us, spread this invitation and share the [Facebook event](#) among your networks.

For further information do not hesitate to contact Lucie Susova ([lsusova@etuc.org](mailto:lsusova@etuc.org)) who is in charge of the dossier.

We are looking forward to seeing you on 2nd July,

Kind regards,

**Tea Jarc**  
ETUC Youth President

**Ludovic Voet**  
ETUC Confederal Secretary
